*100% Malbec*

2015 Hilmy a.k.a. Juju

*75% Cabernet Sauvignon; 25% Petit Verdot*

Welcome to Hilmy Cellars, in Fredericksburg, Texas, where our passion is artisan winemaking. In 2009, the first vineyard was planted. Now Hilmy has 4 varietals planted on 10 acres of our 60 acre property: Tempranillo, Cabernet Sauvignon, Petit Sirah and Malbec..

The Hilmy Cellars label produces and bottles wine in small lots. Our cellar uses stainless steel tanks in addition to French and American oak. In every bin, vat, tank, or barrel, we attempt to make a true wine of the highest quality. Over 85% of our grapes come from the Texas High Plains. We believe that Texas wines are unique and expressive. Our goal is to preserve the integrity of the grape in each bottle. We strive for quality in farming, and work to achieve harmony among the factors contributing to quality winegrowing.

We currently offer over 30 different bottles of wine in a mixture of white, red, rosé and sparkling. Texas is known for producing southern Mediterranean varietals that you may not have experienced yet including Viognier, Mourvedre and Roussanne.

Our goal is to make your visit as special as it can be. Ask your server about our wine club, The Flock, where you can be a part of an exclusive group of Texas wine lovers.
